Antonio Carter : Goodnight Trump before purchasing it in order to gage whether or not it would be worth my time, and all praised Goodnight Trump:

1 of 1 people found the following review helpful. Probably the funniest and most poignant "children's" book of our ...By CustomerProbably the funniest and most poignant "children's" book of our time. Soon to be a classic! Waiting for the newest editions5 of 6 people found the following review helpful. Clever idea....By Hillary MarekVery poorly executed. This could have been a timeless, fun, coffee table book that in good humor everyone would remember. However, the author went dark side with it and made it into a ranting political satire with contents and references that have ZERO explanations!!! I am not a social network junkie but I have kept abreast of the current hot topics as they relate to the Presidential election and I did not understand 75% of this books name dropping. It came across very sophomoric and crude. I am not by any means a Trump sympathizer, but even I thought the last half of the book was in very bad taste.Too badBecause it started out great But ended..... not soon enough.

In this lavish bedroom There was a table And a ratty toupee And a painting of... Donald in tight gold lame' And a clueless young wife And a small painted elf A really dumb actress And Trumpkin himself And a silly old fool And a ditsy buffoon. And a washed up child star who was not gone too soon. And a broom and the help and a book for a diet. And a clever old lady who's saying be quiet. Say goodnight and good riddance to Donald Trump with Goodnight Trump! Inspired by the politically charged climate of this election season, the author of the Dr. Seuss parody Oh, The Sh!t You Don't Know! has released a new book about the candidate that has everyone talking: Donald Trump. As every liberal-minded (and the occasional conservative) American knows, it is well past time to say goodnight to this brash, unqualified, and utterly un-presidential presidential candidate and all of his celebrity supporters. Antonio Carter does exactly this in his parody of Margaret Wise Brown's beloved picture book, Goodnight Moon. Public Figures parodied in this book: Donald Trump Melania Trump Tila Tequila Sarah Palin Ben Carson Candy Carson Aaron Carter Stacey Dash Mike Tyson Jon Voight Scott Baio Omarosa Dennis Rodman ***This book is a parody for adults

and intended for entertainment purposes only.***
