Song Parodies for Modern Moms Dads:

The antidote to kid-song overload! - Are your kids crazy about songs and rhymes that make you crazy? - Are the wheels on the bus driving you around and around the bend? - Do you want to just say no to another round of "Let It Go"? - Do you find yourself pondering more colorful (and permanent) fates for those ten little kittens? Then this is the book for you! Written by a parent who loved all the singing but hated all the repetition, Goosing Mother Goose is full of hilarious twists on beloved songs and rhymes.
