**Declan Molde : #GradSchoolProblems** before purchasing it in order to gage whether or not it would be worth my time, and all praised #GradSchoolProblems:

0 of 0 people found the following review helpful. Five Stars By Sean This poetry has everything you could need in poems: words, meter, rhyme, puns, brevity. But most importantly, 0 of 0 people found the following review helpful. A wonderful way to avoid your thesis By Mark Despite Modle's self-deprecating foreword, I don't think there's a bad

poem in this book. Both the poems and the book are short, but they're also very easy to revisit -- I anticipate pulling this out far more often than I should. 0 of 0 people found the following review helpful. For those thinking of applying to grad school.. ...By AlainFor those thinking of applying to grad school... In the way Seuss' "oh the places you'll go" is traditional high school graduation fodder. A delightful bit of edutainment. Enjoyable, and somehow profoundly true.

Declan Molde addresses all aspects of grad student life, from grading to dating in this collection of short-form comic verse.

About the AuthorDeclan Molde is a PhD student at a large university who writes haiku (and other short-form verse) because he truly believes brevity to be the soul of wit.
