Book ClubThis collection of poetry, creative non-fiction, and fiction excerpts drew me in immediately and kept my attention throughout. Writing in her distinctive style, Eartha pens real life scenarios from different perspectives that Im sure most Black people can relate to. She doesnt just write about issues; she offers solutions with such clarity the words

could have easily come from someone much older. Between the pages of this compilation is the cleansing breath many have been waiting for to validate our experiences as a people, as women, as men, as the unique individuals we all are. Thank you! I urge any lover of words to give this book a try. 1 of 1 people found the following review helpful. Graffiti Murals Of Eloquent Writing By K Jonee Leaving both the poet and regular novel reader's literary palette sated, Eartha Watts-Hicks' "Graffiti Mural" is an amazing read by a (excuse my English), a damn good writer. Having been a reader since her debut novel, "Love Changes", Eartha Watts-Hicks NEVER disappoints and I am looking forward to her next release. 1 of 1 people found the following review helpful. Creative Writing needs to breathe somewhere. Why not where it can be shared? Graffiti Mural is a collection of poetry, lyrics, lyrical rants and tales (both true and imagined) from Eartha Watts Hicks, Hurston-Wright fiction fellow, member of the Harlem Writers Guild and winner of the Just R.E.A.D. literary fiction "Game Changer" Award from the NYCHA Branch of the NAACP.
