Mr. Eldon "Roney" Hepler : Grandpa's Limericks before purchasing it in order to gage whether or not it would be worth my time, and all praised Grandpa's Limericks:

Eldon Roney Hepler is 90 years old at the time of this publishing. Roney started writing limericks after he turned 80. He woke up in the middle of the night thinking about one, and he couldnt get back to sleep until he had written it

down. Since then, he writes limericks all the time. He discovered a talent he never knew he had. We are glad he writes the limericks. Some of them are silly and fun, but others give us insight into his soul. Hes a caring, loving man who looks forward to seeing his friends and family in heaven. Those of us left behind will deeply miss him, but we will know he will be happy. We love you! Brian, Carey, Ruth Ann, Janie, Patti and Sally September 25, 2015
