Clearly someone doesn't know how to double check their work..A couple jokes were funny, most made no sense or made no sense and were about animal sex. There was a joke in there about the jets, so I'm guessing this is a book they just insert a team into each joke and call it a new book. I bought this for my husband who hates the packers and was very disappointed!! Don't waste your time.

A funny joke book about the Green Bay Packers Football. It is filled with dirty jokes about your favorite Green Bay Packers fan you love to hate. It makes a great gift or a book to share with friends. You will be telling these jokes over and over again to your laughing friends.
