Bruce Weinstein, Mark Scarbrough : Grill Thrills!: Recipes and Inspiration for Creative Grilling before purchasing it in order to gauge whether or not it would be worth my time, and all praised Grill Thrills!: Recipes and Inspiration for Creative Grilling:

This is not your ordinary grilling cookbook! It puts the thrill back in the grill with dozens of innovative recipes from Rib Roast with Pineapple Poblano Salsa to Chicken Sitting on a Beer Can. Even old favorites get a twist: you'll never look at a cheeseburger the same way once you've tried this inside out creation. Enjoy quick, simple meals for everyday, such as grilled chicken sandwiches where the meat stays plump and moist thanks to a flavorful brine. Or prepare a knockout feast for special guests, like Quail with a Pomegranate Almond Marinade. In addition to the delectable dishes, there are lots of surefire grilling secrets, techniques, and tips and the gorgeous color photos will make your

mouth water!
