I own a lot of his books, and they are a constant source of delight to me, so I have no axe to grind at all. This book was a tad bit disappointing, I thought the other two were possibly more inspired than this one. Again, I have no complaints, just thought that his light didn't shine quite as brightly as it did on the first two Nursery Rhyme books.0 of 0 people found the following review helpful. My Kind of TwistedBy D. CasceoliMy kind of twisted book, absolutely love this. I must buy them all today!

Gris Grimly presents a third collection of reimagined classic children's rhymes combining macabre humor with masterful illustrations. Be prepared to view Wee Willie Winkle, Baa Baa Black Sheep, Crooked Man, Mary and her little lamb, and Little Boy Blue in a new light... a murky, sinister light.

About the Authoris an accomplished, multi-disciplinary artist who brings his mastery of the macabre to everything he creates. From kids' books to fine art installations, from T-shirt design to motion picture direction, Grimly is the go-to guy for good times with goosebumps. He has collaborated with entertainment industry giants Guillermo del Toro, Neil Gaiman, and Elvira, as well as non-living legends Edgar Allan Poe and Washington Irving.
