1 of 1 people found the following review helpful. I would buy again! By Cecelia Lawrence I purchased this for a fellow catholic. they thought it was a hoot! I would buy it again! 1 of 1 people found the following review helpful. Very, very funny! By Bridgette Clyne Hilarious. Catholic school attendees will be roaring! 5 of 5 people found the following review helpful. Hilarious! By Mary E. Alvarado Anyone born into the pre Vatican II and early post Vatican II Catholic Church will find this book an absolute hoot! I had lost my original and had to buy it again! Everything you remember is lovingly and humorously accounted for: uniforms, pagan babies, nuns, and my favorite "Fr. What a Waste".

The original edition of *Growing Up Catholic*, along with its sequels, struck a heavenly chord with a generation of Catholics of all persuasions. Now, to commemorate the Great Catholic Jubilee of the Year 2000, the authors bless us with an updated and expanded version of this beloved national bestseller. Filled with a witty, poignant, and downright hilarious potpourri of essays, lists, games, drawings, photos, and quizzes, it includes the best of all three *Growing Up Catholic* books, along with many all-new features, such as: Jubilee 2000: Not Your Average Birthday Party; Father Phil: Confessor to the Sopranos; Who Will Be The Next Pope?: A Handicapper's Guide; Ansubstantiation-tray: Can't Anybody Here Speak Latin Anymore? www.holy.com For Catholics of all ages -- from those who lived through Vatican II to those who've never seen a nun's habit except in a movie -- *Growing Up Catholic* celebrates in a lighthearted way the funny and sublime side of day-to-day Catholic life.

.com The authors of *Growing Up Catholic* have fully 17 names among them. Here goes: Mary Jane Frances Cavolina Meara, Jeffrey Allen Joseph Stone, Maureen Anne Teresa Kelly, and Richard Glen Michael Davis. If this merits a smirk, you'll love *Growing Up Catholic*. First published in 1985, this classic collection of essays, games, lists, quizzes, drawings, and photos inspired two sequels (*More Growing Up Catholic* and *Still Catholic After All These Years*) and has now been updated for the millennium. ("After all, let's not forget where this whole millennium thing came from," the Introduction explains.) The many new features of this edition include "Que Sera, Sera: Who Will Be the Next Pope?" and "Ansubstantiation-tray: Can't Anybody Here Speak Latin?" *Growing Up Catholic* is bubbly but never blasphemous--just irreverent enough to be interesting, but not so irreverent as to be an inappropriate confirmation gift. --Paul Power From the Publisher Over 700,000 Copies in print!
