The jokes are funny in the same stupid way and overall I just like it because it's so cheesy. Less boring than a calendar of famous trees at least. 3 of 3 people found the following review helpful. I just love Grumpy Cat By Merle O. MacNabI just love Grumpy Cat! I buy her wall calendar and mini wall calendar every year! The background photos are beautiful; Grumpy looks adorably miffed in each shot; and the printed expressions make me laugh out loud! ("When life deals you lemons, throw them at someone.") If you love Grumpy Cat, and enjoy snarky sayings, these are the calendars you want to buy! 1 of 1 people found the following review helpful. The BEST! By Desiree'Is there really a better calendar than the grumpy cat? Exactly. That is what I thought. Funny sayings each month - I order one every year. Easily visible days and holidays are marked in RED LOVE MY GRUMPY CAT!

Everyone's favorite grump is back with a year's worth of epic frowns and hilariously cranky commentary.
