It is basically a compilation of Grumpy Cat memes that you see all over the internet with a few basic activities such as cross word puzzles and connect the dots. The book also features a couple images of Pokey, Dog and Cactus. If I would have had the opportunity to flip through the book at a book store, I would not have purchased the book simply for the lack of diversity in the images. There are tons of images out there of Grumpy Cat, but this book features the same two on every other page, but with a different caption. I was hoping for a more diverse collection of images.40 of 41 people found the following review helpful. Grumpy Cat BookBy Julie M. Very cute! By Michael Anne Amusing and totally in character, Tard Sauce is at her grumpy best. The illustrations are well put-together and contribute greatly to the whole. The activities are a hoot. I quite enjoyed it.
