**Georgie Anne Geyer : Guerrilla Prince: The Untold Story of Fidel Castro** before purchasing it in order to gage whether or not it would be worth my time, and all praised Guerrilla Prince: The Untold Story of Fidel Castro:

0 of 0 people found the following review helpful. Definite read for those wanting to understand Cuba today.By SusanInteresting and accessible story of how Castro came to power. It would be helpful for any student of history, and especially helpful for those traveling to Cuba today. The book helped me to understand Cubans both young and old and how their outlook was shaped by the country's history.0 of 0 people found the following review helpful. Good

readBy Jorge GonzalezVery well written. Fair point of view0 of 0 people found the following review helpful. Great reading.By Juvenal LlanesThis is one of the best informative book about the Cuban dictator. This writer has done a deep and believable study about this evil man that has done so much harm to humanity.

Syndicated journalist Georgie Anne Geyer calls on her nearly 40 years of experience covering Latin America to create an extraordinary biography that reveals the untold story of Fidel Castro, revolutionary and demagogue. Based on hundreds of interview and unique sources - including four extensive personal interviews with Castro - *Guerrilla Prince* is an intimate and revealing portrait, charged with all the electricity of the charismatic leader. In this updated edition, Ms. Geyer presents new insights and addresses the changes since the 1991 release of *Guerrilla Prince* in hardcover - the collapse of the Soviet Union, the internal unrest, and the growing anticipation of a post-Castro Cuba.

From Publishers WeeklyGeyer's ambitious and revelatory, if somewhat feverish, biography of Fidel Castro presents the Cuban dictator as a personal and political failure, but as a military genius. Photos. Copyright 1993 Reed Business Information, Inc.From Library JournalGeyer, a syndicated journalist long familiar with Latin America and intrigued by Castro, has crafted a major biography of this enigmatic and fascinating figure. Her work differs from Ted Szulc's *Fidel: A Critical Portrait* ( LJ 1/15/87) in that it focuses on Castro's personality, on his personal rather than policy motivations, and offers a detailed psychological portrait. Geyer used some 900 interviews obtained over many years to document Castro's brutal treatment of thousands of Cubans and his fanatic hatred of the United States. The reader is left with a persuasive picture of a paranoid, erratic megalomaniac, whose personal life is a microcosm of his public behavior. Highly recommended.- Roderic A. Camp, Central Coll., Pella, Ia.Copyright 1991 Reed Business Information, Inc.From the Back CoverWith *Guerrilla Prince*, syndicated journalist Georgie Anne Geyer calls on her twenty-five years of experience covering Latin America to create an extraordinary biography that finally reveals the untold story of Fidel Castro. Based on hundreds of interviews with unique sources - including four extensive personal interviews with Castro - *Guerrilla Prince* is an intimate and revealing portrait, charged with all the electricity of the charismatic man himself. In this edition, Geyer adds a preface and an extensive epilogue to her 1991 hardcover text, addressing the changes since that time - the collapse of the Soviet Union, the internal unrest, and the growing anticipation of a post-Castro Cuba.
