**Jonathan Swift : Gulliver's Travels: Ignatius Critical Editions** before purchasing it in order to gage whether or not it would be worth my time, and all praised Gulliver's Travels: Ignatius Critical Editions:

0 of 0 people found the following review helpful. Five StarsBy On your sideGood version for school as it has commentary by the author.0 of 3 people found the following review helpful. Five StarsBy jaco7Serious Literature for serious readers

Gulliver's Travels by Jonathan Swift is one of the greatest satirical works ever written. Through the misadventures of Lemuel Gulliver, his hopelessly "modern" protagonist, Swift exposes many of the follies of the English Enlightenment, from its worship of science to its neglect of traditional philosophy and theology. Swift's satire on the threats posed by the Enlightenment and the embryonic spirit of secular fundamentalism makes Gulliver's Travels priceless reading for today's defenders of tradition. This new critical edition, edited by Dutton Kearney of Aquinas College, contains detailed notes to the text and a selection of tradition-oriented essays by some of the finest contemporary Swift scholars.

About the Author Poet, satirist, political pamphleteer and clergyman, Jonathan Swift (1667-1745) had a rich literary lineage that could boast of the likes of John Dryden and Sir Walter Raleigh. Early in his career, Swift published his works either anonymously or under pen-names. He wrote under his own name only after he had become an established author and commentator. He was a master of satire, and employed this technique brilliantly in works such as A Tale of a Tub, A Modest Proposal, and Gulliver's Travels.
