**Beth Griffenhagen : Haiku for the Single Girl** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Haiku for the Single Girl:

An uproarious, uplifting, and brazenly honest celebration of the single girl's life. Unsolicited relationship advice from relatives, disastrous dates, men who wear thumb rings, and the moments of deep satisfaction when a single girl realizes that she can do whatever she wants with her time- it's all here in Haiku for the Single Girl. Reading this brilliantly incisive and wittily illustrated collection, every woman- whether single or not- will laugh until she cries, and

then start laughing all over again.
