David M. Bader : Haikus for Jews: For You, a Little Wisdom before purchasing it in order to gage whether or not it would be worth my time, and all praised Haikus for Jews: For You, a Little Wisdom:

1 of 1 people found the following review helpful. An amusing and entertaining little volume for anyone who loves haiku, whether Jewish or not. By Joseph J. Truncala I have loved all kinds of poetry most of my life but my favorite forms are the Japanese haiku and senryu. I have collected numerous haiku and senryu poetry volumes over the years, and even though I am not Jewish I decided to purchase this humorous (Haikus for Jews: For you, a little wisdom by David M. Bader) little 104 page hardback book. I was familiar with most of the Jewish terms because I have many Jewish friends where I live and found this book to be an amusing and fun book to read. The bond between Jewish

humor and Japanese haiku make a perfect fit because the Haiku poetry form can easily be applied to a wide variety of nationalities and topics. A couple of examples of the haiku in this book is as follows: New at Oys "R" us! Jewish triathlon Hypochondriac Barbie gin rummy, then contract bridge, Has a gout attack. Followed by a nap. If you are Jewish this is a must book to read. If you love haiku you should also check out this humorous and entertaining little volume. Rating: 4 Stars. Joseph J. Truncale (Author: Zen Poetry Moments: Haiku and Senryu for special occasions). 0 of 0 people found the following review helpful. Pricey, clever and short By Terrible Teri Cute and clever, but really short and really expensive for the length and breadth of the work. Bader's other work, The Story of Murray, is a brilliant original Jewish parody. If you have to choose, I'd recommend reading the Story of Murray. Otherwise, if you're stuck for a gift for a Jewish poetry lover, I can see it being greatly appreciated. 0 of 0 people found the following review helpful. Lighthearted By Vermonter Funneeee integration of Zen and poetry with Jewish humor

Why is this haiku book different from all other haiku books? For centuries, the Japanese haiku has been one of the world's most dazzling poetic forms. In just three short lines, it captures the sublime beauty of nature--the croak of the bullfrog, the buzzing of the dragonfly, the shriek of the cicada, the scream of the cormorant. Now, with Haikus for Jews, there is finally a collection that celebrates the many advantages of staying indoors. Inspired by ancient Zen teachings and timeless Jewish noodging, this masterful work is filled with insights that will make you exclaim, "Ah!" or at least "Oy!" Whether you are Jewish or you simply enjoy a good kosher haiku, these chai-kus (so called because of their high chutzpah content) are certain to amuse. What's more, with each poem limited to seventeen syllables, Haikus for Jews is perfect for people in a hurry. Find out why God has made these The Chosen Haikus.

.com "Of all the many forms of Jewish-Japanese poetry, the Jewish haiku is perhaps the most sublimely beautiful," begins the foreword to the wickedly funny and tirelessly bizarre Haikus for Jews by David M. Bader. If you can't abide a little fun with stereotypes, read another book. But if you don't mind a little ribbing, take a look at the following haiku, which gives only a mild taste of the yummy-as-lox treats gathered in this collection: "Jewish voodoo tip -- / mention an acting career, / then watch for chest pain." And if you liked that, you'll love this: "Lightbulb out again -- / how many of us must meet / to change it this time?" And they just keep getting better. From the Inside Flap Why is this haiku book different from all other haiku books? For centuries, the Japanese haiku has been one of the world's most dazzling poetic forms. In just three short lines, it captures the sublime beauty of nature--the croak of the bullfrog, the buzzing of the dragonfly, the shriek of the cicada, the scream of the cormorant. Now, with Haikus for Jews, there is finally a collection that celebrates the many advantages of staying indoors. Inspired by ancient Zen teachings and timeless Jewish noodging, this masterful work is filled with insights that will make you exclaim, "Ah!" or at least "Oy!" Whether you are Jewish or you simply enjoy a good kosher haiku, these chai-kus (so called because of their high chutzpah content) are certain to amuse. What's more, with each poem limited to seventeen syllables, Haikus for Jews is perfect for people in a hurry. Find out why God has made these The Chosen Haikus. From the Back Cover "There is no subject whatever that is not fit for haiku." --bashi "This you call poetry?" --yiddish proverb
