David Yellen : Hair Wars Coloring Book before purchasing it in order to gage whether or not it would be worth my time, and all praised Hair Wars Coloring Book:

From the real world of competitive Fantasy Hair styling comes Hair Wars Coloring Book. Based on the popular powerHouse book Hair Wars by David Yellen, which was shot at Fantasy Hair competitions across the country, these larger-than-life dos are now ready for your touch. Drawing inspiration from everything from 9/11 to the Olympic Games, these hairstyles include motifs such as a gigantic bowl with live Japanese fighting fish, a beehive that blows soap bubbles, and the classic Sunday barbeque. Featuring 30 original drawings by artist Miguel Villalobos, this coloring book lets you get in on the action and be part of the fantasy. Pull out your Crayolas and markers and set your

imagination loose on these amazing hair sculptures. Fun for ages 1-100.

About the Author David Yellen was born in 1972 in Bayside, Queens. He graduated from SUNY Purchase in 1997. He is the author of two powerHouse books, *Too Fast For Love: Heavy Metal Portraits* (2004) and *Hair Wars* (2007). He is known for his expressive and technically flawless use of light that draws out his subjects' most authentic selves, giving the viewer a sense of seeing straight into their souls. His images can be seen everywhere from billboards to covers of numerous magazines. Miguel Villalobos is a New York-based multi-disciplinary artist who works in the fields of illustration, photography, sculpture, and jewelry design. His clients range from fine art museums to contemporary fashion brands.
