**L. Henry Dowell : Hairy Pothead: The Stoned Sorcerer: A Potter Parody By L. Henry Dowell (Volume 1)**  
before purchasing it in order to gage whether or not it would be worth my time, and all praised Hairy Pothead: The Stoned Sorcerer: A Potter Parody By L. Henry Dowell (Volume 1):

1 of 1 people found the following review helpful. Not worth itBy M.E.J.I had a quick read of the first chapter and I can

assure you that you can save yourself the time and money. It has very petite, poor and cretinous humor. Surely reading toilet paper is more entertaining and a better investment in time. 0 of 0 people found the following review helpful. One Star By Customer A very poor and incredibly lame attempt at parody. 1 of 2 people found the following review helpful. A Hilarious, Raunchy Harry Potter Parody! By An Reader A laugh out loud, well-written parody of the Harry Potter franchise. As other reviewers have pointed out, this is not a book for children. If you enjoy R-rated comedy movies, then there is nothing here to offend you. The names and situations and especially spells are hysterically funny even if you have not read the original Harry Potter books. The author has clear affection for the characters and the story is well-written. Recommended!

"If you enjoy reading puerile literature, this is for you." Cheech and Chong meet Harry Potter in this parody for all the Potterheads out there by L. Henry Dowell!!! Hairy Pothead the Stoned Sorcerer is an easy read, because let's face it, most of you who will be reading this book have probably smoked yourselves daft by now, anyway. On his 30th birthday, the stoner known as Hairy Pothead receives a somewhat delayed invitation to attend the Hawgslleg School of Wizardry and Herbology. While there, he meets a wacky group of misfits including a gentle giant named Groovius Haggard, the dark and disturbing Professor Rape and Bumbling Dumbass, the lovable old Headmaster of Hawgslleg. Of course, he also meets the two people destined to become his bestest friends, Red Measley and Hornie Stranger. Little do any of them know that an evil power is hiding in their very midst. "WHO?" That's right! "WHO?" Exactly! It's the villainous King Owl Jr.! But what does he want with dear old Hairy??? Please Note: This parody is NOT for children NOR prudish sorts! (And especially not for prudish sorts of children!!!) Also Note: This book contains a handy British slang guide in the back at no extra charge to you, gentle reader!

About the Author Colonel L. Henry Dowell is an author and internationally produced playwright from Central Kentucky.
