I'm not sure how the people who made this managed to get to sell this, but it is filled with copyrighted material from other sources - both from other coloring books as well as characters such as Winnie the Pooh, Piglet, Oscar the Grouch, and many others. Over half of the book is just pictures printed off of the internet, some of them enlarged very poorly. If you have bought this, contact IMMEDIATELY for a refund and request this book be taken down.

Fun Halloween themed coloring pages for kids. Filled with monsters, ghosts, witches, skeletons, and all the other creepy creatures abroad on Halloween. Whimsical images of black cats, bats, trick-or-treaters, and jack-o'-lanterns abound in this large-format, fun-to-color activity book.
