Grandma Marilyn : Halloween Happenings Coloring Book before purchasing it in order to gage whether or not it would be worth my time, and all praised Halloween Happenings Coloring Book:

I hope you enjoy coloring the 29 Halloween images in this coloring book. You can use any type of medium to color these pictures. I do caution that if you use markers that you put a couple of blank pages under it as there is potential for them to bleed through to the picture on the next page. I have more ideas for coloring books in many categories. I am also creating coloring books for left handed colorers.
