Daniel Howard : Halloween Magic before purchasing it in order to gauge whether or not it would be worth my time, and all praised Halloween Magic:

1 of 1 people found the following review helpful. Very easy and big pictures to see By R.Otis This book has some cute and scary pictures of Halloween. You can coloring them as cute or scary looking. It is your choice. Very easy and big pictures to see. It does not take a long time to color a picture. Great book to get and get it done by Halloween. I enjoy looking at them even tho I have not colored it yet. If you like to decorate for Halloween, this book would create awesome pictures to hang on the wall. You could also use them for crafts in many different ways. It is very reasonable to buy. I have enjoyed coloring in it. It is well worth it! 1 of 1 people found the following review helpful. Bought several copies of this book the pictures are awesome the artist did a great job would definitely recommend ...By Customer Bought several copies of this book the pictures are awesome the artist did a great job would definitely recommend this to anyone who likes good artwork and likes coloring 1 of 2 people found the following review helpful.

preordered this book. waited forever for it only to ...By Laurie Gregory preordered this book. waited forever for it only to be disappointed. the drawings are very simple and redundant, they appear to be drawn for children.

Trick or Treat! Enjoy the thrill of everyone's favorite holiday with Halloween Magic! You will be drawn into an eerie land of Halloween themed patterns, objects, and scenes. There are 30 single sided images of different detail and complexity that will keep you entertained for hours. This coloring book for grown ups is on medium weight paper and is great for crayons, colored pencils, gel pens, and fine tip pens. All images are hand drawn. The book itself is 8.5 x 11. Halloween Magic is wonderful for all ages. Happy Halloween!
