**Charles Ghigna : Halloween Night** before purchasing it in order to gage whether or not it would be worth my time, and all praised Halloween Night:

Halloween Night, the charming and silly collection of children's Halloween poetry by the award-winning author/illustrator team of Charles Ghigna and Adam McCauley, is a bestseller for Running Press Kids. Now, this popular read-aloud collection is condensed into a convenient Miniature Edition that's perfectly sized to fit in trick-or-treating bags.
