M. G. Anthony : Hamilton: The Adult Coloring Book before purchasing it in order to gauge whether or not it would be worth my time, and all praised Hamilton: The Adult Coloring Book:

34 of 35 people found the following review helpful. Good coloring book about the historical founding father. Not a book about the Musical. By Jen M Wanted a coloring book for my kids who became interested in Alexander Hamilton after hearing the Musical music. This fits the bill nicely. Other reviews complained that this wasn't a Hamilton The Musical coloring book. I agree, the pictures are traditional "founding fathers" pictures, and not coloring renditions from the Musical. This was clear (to me) from the product description and page preview, so I am not disappointed in the purchase. It is a coloring book about the founding father, and will serve to further my kids' interest in history. Pages are thick for coloring (like most typical adult coloring books) and they are printed on just one side, so you don't have to worry about bleed-through. There is a lot of nice detail to color. There's a little historical description on each page which is nice, too. 3 of 3 people found the following review helpful. But it's great for history buffs By April R. Be

warned... this coloring book has NOTHING to do with the Broadway show. But it's great for history buffs! 0 of 0 people found the following review helpful. BIG HAMILTON FAN By kindle addict NANA Added 2 tee shirts, necklace, bracelet and my other granddaughter painted a logo so my 13 year old granddaughter was happy on her birthday. Wish I had money for theatre tixs but maybe it will tour.

Hamilton Lives! Hamilton comes alive in this new, historically-based adult coloring book. Subject of the Tony Award-winning musical Hamilton, he has captured the hearts and minds of Americans like never before. Hamilton was born out of wedlock, abandoned by his father and his mother died when he was young—yet he went on to become one of America's Founding Fathers. He worked side-by-side with George Washington, was the founder of the Coast Guard and The New York Post, and as America's first Secretary of the Treasury saved America from economic ruin. From his childhood in the West Indies to his fatal duel with Aaron Burr, you can color 30 single-sided illustrations of Alexander Hamilton and the many high points of his illustrious career. In these days of political upheaval, discover why Hamilton was one of the great disruptors of his day—and color him in!
