Barbara A. Whiteman : Handel's Messiah Coloring Book before purchasing it in order to gage whether or not it would be worth my time, and all praised Handel's Messiah Coloring Book:

0 of 0 people found the following review helpful. Hallelujah!By Kim K.The scripture references are wonderful and I love the artwork. I will be purchasing extras for my daughters and grandkids. I think it will be a wonderful Christmas present.1 of 1 people found the following review helpful. Make a Christmas Handel Messiah Coloring TraditionBy Shauna ConwayThis is a FANTASTIC and reasonably priced teaching tool to draw children into the world of Handel. Not to mention, it made my daughter's first Handel experience memorable and fun (and the book will serve as a great memory of what we experienced until next year when we order a new book)!!! My 6 year old daughter just loved coloring and following along with the different songs/scriptures as she colored. Each page has a beautifully designed color sheet, and along side it another page with the scriptures written out that are being sung. I love this book. I'll be buying again and again until my daughter outgrows the need for the coloring book. And maybe one day I'll get to buy

the same book for her children and make this a family Christmas tradition.0 of 0 people found the following review helpful. "A "must have" for your next performance of Handel's Messiah ...By Praise Pen"A "must have" for your next performance of Handel's Messiah. You will be fully engaged in the oratorio with seventeen attractive illustrations which captures the heartfelt message of the Messiah...!"

A “must have” for your next performance of Handel’s Messiah. You will be fully engaged in the oratorio with seventeen attractive illustrations by Taylor Leong which captures the heartfelt message of the Messiah. The book is designed with the words and artwork side by side for your visual enjoyment while following the arrangement. Whether you color or not, be prepared for an interactive evening. The coloring book is designed for both children and adults to enhance the concert-going experience. The Handel’s Messiah Coloring Book is an excellent gift for any Handel’s Messiah enthusiast. A wonderful ADVENT activity!
