A superb collection of good political quotesBy Israel DrazinThis free book for kindle owners has 2,138 quotations from 255 authors arranged alphabetically. The first is abashed, then abbots, then abdication. Shakespeare's Othello is used for absence - "Thou lost to sight, to memory dear Thou ever wilt remain" - a good quote to send to significant others when the two are parted. Other Shakespeare quotes are: Macbeth- "Wise men ne're sit and wail their loss, But cheerily seek how to redress their harms." Troilus and Cressida - "The world's a theatre, the earth a stage which God and Nature do with actors fill." From other sources: "Pleasure and action

make the hours seem short" and "All things are ready if your minds be so." These examples show that the quotes can be very useful.0 of 0 people found the following review helpful. Badly organizedBy Kindle CustomerTrue, I wanted a reference easy to read. This is not that book. The organization is hurried and lacking in useful information.0 of 0 people found the following review helpful. Three StarsBy LifeStyleByTheBookas described.
