**aa : Happier than God: Turn Ordinary Life into an Extraordinary Experience by Neale Donald Walsch (April 1 2011)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Happier than God: Turn Ordinary Life into an Extraordinary Experience by Neale Donald Walsch (April 1 2011):

0 of 0 people found the following review helpful. Five StarsBy Brenda CribbPerfect2 of 2 people found the following review helpful. Keeps it clear and simple. Thats how most of us need it.By Linda J. Schiller-HannaExcellent guidebook through the journey of life. Practical, accessible and well reasoned. Avoids jargon and confusing circular thinking that tends to annoy me in some of the popular trendy "abundance training" materials. If you've not seen the movie about Neale Donald Walsch's life...it will add meaning to this story. Much of what he shares was learned through hard knock experience. Another author I love who writes on this advanced level is Joel S. Goldsmith. A good one to start with is the Infinite Way. Later, you can pickup one of his 35 other books, including Thunder of Silence. Truth is truth. These guys seem to know how to share it meaningful and valuably.

New copy. Fast shipping. Will be shipped from US.
