ListenerBy lizan van heerdenThis is a good book with a couple of funny stories in. Not really life changing stuff or fall of your chair laughing stories. Just stories of normal people going about their usual life. If you like the "chicken soup for the soul" kinda books then you will enjoy this one but be warned, if you are like me and listen to the daily broadcasts (I usually listen to the Africa and Canada broadcasts) then you have most likely heard about 80 - 90% of the stories before. Overall it is a fun, lighthearted book that can help lighten your mood. Worth a try if you're not a follower of their broadcasts.0 of 0 people found the following review helpful. NobleI've heard Ken Davis before and appreciated his humor. However, this book wasn't very funny (and I bought two!. . .one to give as a gift.)
