Christine Vencato : Happy Halloweiners!: A Dachshund Dog Colouring Book for Halloween (Paws for Thought) (Volume 6) before purchasing it in order to gage whether or not it would be worth my time, and all praised Happy Halloweiners!: A Dachshund Dog Colouring Book for Halloween (Paws for Thought) (Volume 6):

"Happy Halloweiners!" is the sixth coloring book from the series "Paws for Thought". It contains 24 hand drawn, single sided illustrations featuring Dachshund dogs in various Halloween inspired settings. Each illustration is

included in two sizes: one per page and two per page. The smaller size is ideal for testing out your colour schemes or to cut out and frame. There are lots of opportunities to practice your techniques colouring these cute, whimsical Doxie dogs, with pumpkins, witches, owls, trick or treaters, haunted houses and much more! These illustrations are designed to challenge even the most experienced colourists, but there are some simpler illustrations for some light relief! Single sided designs printed on medium weight white paper - perfect for pastels or coloured pencils, this book would make a lovely gift for any dachshund lover! If you prefer to work directly inside the book using gel pens/markers, it is advisable to place a sheet of plain paper between the pages to prevent bleed through. Or, you are free to photocopy these designs on your favourite paper or card for your own use.
