Tigerlynx : Happy Mandalas Colouring Book For All Ages: 30 Cute Cartoon Mandalas For Adults Children (Peaceful Mind Colouring Books) (Volume 6) before purchasing it in order to gage whether or not it would be worth my time, and all praised Happy Mandalas Colouring Book For All Ages: 30 Cute Cartoon Mandalas For Adults Children (Peaceful Mind Colouring Books) (Volume 6):

0 of 0 people found the following review helpful. Cute, charming and cheerfulBy E. C. BirdThis coloring book lives up to its title! It's hard not to smile while flipping through the pages. The pictures are whimsical rather than realistic. I

would recommend this book to adults and teens looking for something that's cute, engaging and not too difficult to color. If you like smiley animals and slightly anthropomorphized clouds, this is the book for you. There's just enough detail to keep it interesting without being overly complicated or frustratingly intricate. Children who have the fine motor skills and patience for the details will also enjoy this book. I'm hoping for a sequel.0 of 0 people found the following review helpful. This is a very cool, funBy Barbara MThis is a very cool, fun, and happy book! There is a lot of variety in it, and it's a lot of fun to color in, too! Some of the illustrations are simple, while others are more detailed. There are also 5 bonus pages from the author's other books included at the back of this book. I highly recommend checking out this coloring book!0 of 0 people found the following review helpful. Really unique theme by having pictures in the mandalas.By JillybeanLovely, light hearted and artistic themed mandalas. This is a very clever idea among all the generic mandala books out there. I discovered this author on the Coloring Treasury book and I just clicked "follow" so I never miss a future release :)

Happy Mandalas features 30 cute cartoon-style mandalas which are sure to bring a smile to your face! 30 illustrations
Single-sided printing Easy to medium difficulty For adults and children All original, hand-drawn artwork - no stock images These colouring pages are great for both children and adults who like designs that aren't too challenging. The difficulty level ranges from easy to moderate. Subjects include cats, dogs, birds, snails, snakes, rabbits, butterflies, cute food, hot air balloons, hearts, smilies, monsters, dinosaurs, flowers, cars, space, Halloween, Christmas, Easter and more! You can preview all the designs in this book on the author's website - for the URL, click the author name, and see the left hand sidebar. Designs are printed on one side of the paper only, so you don't have to worry about bleed-through. If using markers, it's best to place a sheet of scrap paper under the page you're colouring, to protect the image underneath. Some blank pages are included at the back of the book for this purpose, and for colour testing.
