Kalman Toth M.A. M.PHIL. : Hard Word Search Puzzles before purchasing it in order to gauge whether or not it would be worth my time, and all praised Hard Word Search Puzzles:

0 of 0 people found the following review helpful. So dumb. Bought to give my mom a little fun ...By E.L.F So dumb. Bought to give my mom a little fun extra when she cruises, the only thing cruise related about this is a picture of a boat on the cover. The puzzles are just basic word searches with random words that could be any book from a 99 cent store. Doesn't the cover kind of imply that it would be more cruise related, I mean maybe nautical terms, caribbean port cities, something.

Success in life starts with a sharper mind! Puzzle solving will increase make you smarter! Puzzle solving will help you to enjoy yourself during boredom. Puzzle solving will also help you to be successful in life and prevent Alzheimer's. This book contains 100 21x21 HARD WORD SEARCH PUZZLES designed to improve your intelligence quotient (IQ). IQ is a measure of the intelligence you already have. The IQ you use on a daily basis – your effective IQ – can be increased. Doing so can help you be more successful in your personal relationships, at work in business as it increases your ability to solve and overcome problems, invent lateral solutions. Additionally, you will find that as you increase your effective IQ, you can become more successful on your job as you strive to gain professional success. Each English puzzle has 36 words for search. The puzzles are hard in difficulty. The solutions can be found vertically, horizontally, or diagonally, either forward or in reverse order.

How to Solve Word Search Puzzles

In order to achieve success at any task, one needs to know the best way to accomplish the goal of that task. With word search puzzle solving, the goal, of course, is to solve the puzzle. To do so, there are a number of methods one can use. They are as follows:

- Take a Quick Look Glance at the puzzle and mark the ones you see immediately first.
- Develop a Strategy As you work your word search puzzle, a strategy will help you to work faster and more efficiently

- 1) Check beginning letters. One successful strategy is to look for the beginning letter of the word for which you are searching. Then look at the box immediately to the left and right, above and below, and in both diagonal directions for the remaining letters. At this point, you should see the complete word.
- 2) Work each row in one direction. For example, work all the rows across first. Then choose another direction, maybe backwards across. Continue until the puzzle is completed.
- 3) Work the list. Some word search puzzle solvers simply work down the list, looking for each word. Of course, you want to go ahead and mark any other words you see.

- Work in sections. Whichever method of solution you choose, work your word search puzzle in sections. You don't want to repeatedly do the same area of your puzzle.
- Take a break. If you get stuck, stop and come back to the puzzle later.
- Work cooperatively. You can work a puzzle as a cooperative effort. Working with someone else can be fun and make puzzle solving easier.
- Relax. Don't become frustrated. Each consecutive puzzle should get easier. Go with the flow.
- Have fun! Puzzle solving is supposed to be an enjoyable activity. Remember to make it one.

What Are the Benefits of Word Search Puzzles?
