From St Martins Pr : Hate Is Not a Family Value: A Quote Book for Liberals in a Right-wing World before purchasing it in order to gage whether or not it would be worth my time, and all praised Hate Is Not a Family Value: A Quote Book for Liberals in a Right-wing World:

0 of 0 people found the following review helpful. Delusional Right Wingers...By fxrguyI gotta laugh when I read right wingers act like they won the 2016 Presidential election by a landslide. They only won by the electoral college which

was made possible by republican gerrymandering of the congressional districts. They don't even have the "moral integrity" to admit they lost the popular vote by over 3 million people. Enjoy your lame victory while it lasts. Sane Americans will be back at the poles in 2020 I can't wait for this Russian mole traitor to be impeached....,9 of 11 people found the following review helpful. A cogent look at the many shades of liberalismBy A CustomerThis review of liberal thinking is a useful collection of clever, insightful and important things said by great liberals through history. While some of the material might have been excerpted at greater length, overall the content is satisfying, and the book is a great gift for that holdout FDR or JFK fan in the family. --Edward J. Karros0 of 4 people found the following review helpful. Don't waste your money.By ArmyVet64Hornfischer is just another bitter, angry leftist. He's compiled a list of trite sayings that anyone could google for free. Why pay for something you can get for free? Don't waste your money.

From the author of the acclaimed Right Thinking comes a collection of witty quotes from liberals throughout history, from Aristophanes to John F. Kennedy to Bill Clinton.
