The Wit and Wisdom of NASCARBy Sandi PackardFunny book filled with true anecdotes of NASCAR drivers, owners, etc. An easy read. Wish it had MORE stories. Maybe a second volume with the newer drivers/teams will be forthcoming.11 of 13 people found the following review helpful. An entertaining bookBy G. HarrisThe book's too short, but it's good and has some really funny stuff. Perhaps we can look forward to Volume 2 in the near future.

Straight from the mouths of the world's most famous drivers and entertainers comes a unique and hilarious volume of NASCAR's wit and wisdom. Contributors include Kyle Petty, Jeff Foxworthy, Jeff Gordon, and many others. Illustrations throughout.
