Get ready to color over 40 beautiful doodle art designs full of flowers and hearts by Artist Dwyanna Stoltzfus. This coloring book will provide many hours of fun entertainment as well as hours of peaceful calm and relaxation. Coloring is no longer just for children. We encourage our precious children to draw and color as a relaxing quiet activity. Coloring can have the same relaxing/calming effect on adults. It is especially beneficial to those who struggle with anxiety, stress, and/or depression. It is the perfect stress relief. It is also beneficial to those recovering from a sickness or surgery, the calm quiet activity promotes healing. In this adult coloring book you will find over 40 beautiful illustrations, printed one per page. A collection of beautiful images full of flowers and hearts. You will find lots of flowers, hearts, butterflies, patterns, mandalas and more in this wonderful book. You can use this coloring book to help you relax and unwind after a long day. Or you can use it just for fun. You can color the designs simply or add depth and creativity by shading and highlighting. Crayons are not recommended for the intricate designs but may be used on some of the pages. You can also color with fine tip markers, gel pens, and colored pencils.

About the Author As a child Artist Dwyanna Stoltzfus loved to draw and color. In her young adulthood she had notebooks full of beautiful doodle art designs. Then drawing got put on hold for awhile. In November 2013 she picked up her pencil and sketch pad again and with it the dream of drawing for coloring books.
