Mark Cain : Hell's Super: Circles In Hell, Book One (Volume 1) before purchasing it in order to gage whether or not it would be worth my time, and all praised Hell's Super: Circles In Hell, Book One (Volume 1):

0 of 0 people found the following review helpful. Wild and funny with a bit of sexual innuendo to keep it interesting, while not offending most readers, By JoeInTampa Crazy funny story. I got started with this kind of book by reading Christopher Moore ("Practical Demon Keeping", etc). Mark Cain follows in that same genre--bizarre demons and wild, but fully developed plots with characters that you (well, at least I) can relate to. I have finished the first three

books in his Circles in Hell series and have pre-ordered the fourth one. Can't wait until it comes out. 0 of 0 people found the following review helpful. A Fun Read This is what Christopher Moore would have written ...By PBJA Fun Read This is what Christopher Moore would have written if he'd been asked to re-phrase and update The Screwtape Letters. The subtlety with which he treats his vision of Hell will make you think of Hades from another angle. I'm in line for Book 2.0 of 0 people found the following review helpful. Interesting Read!By JPRothSnarky, sarcastic, fun, yet thought-provoking. A twisted tale to be sure, weird in all the right places, yet Steve Minion can be downright philosophical; not to mention witty, charming, and thoughtful - yet with a barbed mean streak that will leave you in stitches!

"If you like Christopher Moore or Tom Holt, read HELL'S SUPER ... Hilarious!" How can one damned handyman keep all Hell running when everything's always breaking, devils and demons plot against him ... and he's terrible at fixing things? Steve is Hell's Super, its handyman. Being Mr. Fixit to the Underworld keeps him and his assistant, Orson Welles (yes, that Orson Welles), pretty busy, since things go on the blink all the time down there. No malfunction has ever created so much inconvenience, though, as the malfunction of Hell's Escalator, which leads from the Pearly Gates to the depths of Hades. What's worse: the breakdown appears to be sabotage. Satan calls in Steve to investigate. But Steve is distracted these days. He's in love with Flo, a gorgeous, almost saintly figure who has come to Hell by choice to ease the suffering of the damned. What's more: she seems to like him, but romance in Hell? That could never be. Still, solving the mystery of the Escalator could earn him some points with Satan, maybe even a chance with Flo. Or maybe not. Hell's Super Is the first volume in the satire/fantasy comedy series, Circles in Hell. It has been compared to other works of "Hell Fiction" including The Screwtape Letters and Good Omens and to the paranormal humor of Tom Holt, Christopher Moore and Douglas Adams. Click on the book jacket to "Look inside."
