I see most people are saying how small it was and was kinda shocked so I am going to post some measurements so you know what your getting. The Envelopes and Sticker book are 2.5inX3.5in The Paper is 6.5inX6in Pencil is 3.5in long So YES this is a very tiny writing set but very cute. 0 of 0 people found the following review helpful. Three Stars By Allena Really small but cute as a fan best to just buy a kid not urself 0 of 0 people found the following review helpful. My best friend love love loves Hello Kitty and we write ... By Customer My best friend love love loves Hello Kitty and we write to one another frequently can't wait to see this mini letter set in action!

Keep in touch with the people you love in Hello Kitty(r) style! It s not the size of the message or gift that matters; it s the precious way in which it is delivered. For Hello Kitty(r) fans new and old, this kit including tiny envelopes,

stationery, stamps, and a book of stickers offers them a way of sending warm messages of love, friendship, or longing."
