Wendy Hamilton : Help! I Hate Church before purchasing it in order to gage whether or not it would be worth my time, and all praised Help! I Hate Church:

0 of 0 people found the following review helpful. Love the Lord, despise the institutionBy TARRecommend this book to any Spirit filled believer who is struggling with the haunting feeling that something is wrong with the modern

church. This book blessed and encouraged me. I'm really thinking about what I can do to make the change to a more vibrant and authentic fellowship with others without the forced authority of the church. Wendy speaks "the truth in love" and inspires a sense of possibility and enablement to take action!

The difference between going to the dentist and going to church is... dentists have more comfortable chairs and expect less money. If you just smiled you would enjoy this book of hope written for everyone who has secretly suffered through Sundays and guiltily wondered "What's wrong with me? I hate church." Can vibrant Christianity and fellowship live outside the commercial, institutionalized church? Wendy Hamilton answers with a resounding yes! This is an account of a little homemade church on the bottom of the world, run by nobodies, who changed their neighbors forever, because they didn't fit into 'real' church.
