Help, I'm Being Intimidated by the Proverbs Thirty-One WomanBy MelodyThis is the third time I have purchased Help, I'm Being Intimidated by the Proverbs Thirty-One Woman. My first two have been loaned to friends and then given as gifts. Just wanted to read it again to be reminded of the perspective Nancy Kennedy shares with truth and humor on this "Intimidating" chapter of the bible. In Help! I'm Being Intimidated by the Proverbs 31 Woman, author Nancy Kennedy tackles this sense of intimidation when she decides to be "just like" Mrs. P. 31.--perfect--with understandably disastrous and side-splitting results. While acknowledging the importance of virtue, Help! teaches a valuable lesson about the futile search for perfection and reminds us that God loves each of us, cellulite and all.
