Mom, there are liberals under my bed...was the first Help! Mom book we purchased, about 8 years ago. We had been watching and waiting for more. Finally, we found this, and we are not disappointed. Funny, and our kids "get it".

Johnny and Luke are cousins who live in the very same neighborhood and go to the very same school. What they enjoy most is Miss Hennessy's second grade class, especially around Christmas. Every year, she would decorate her classroom with the most beautiful Christmas decorations, serve the most scrumptious Christmas cookies, and hold the best Christmas program ever...until this year, when suddenly, the Ninth Circuit nabs the nativity! Can Johnny and Luke retrieve their beloved Christmas display before stern Hillary Clinton look-alike, Congresswoman Clunkton, aided by Al Bore and an hilarious assemblage of other politician and celebrity look-alikes, auction it off to raise funds for her upcoming political campaign? Will Hillary end up in jail? Can Christmas be saved? This third book in the Help! Mom! series reunites gifted storyteller Katharine DeBrecht with award-winning illustrator Jim Hummel for another small lesson in conservatism.

From the PublisherThe kids' series that Hillary hates is back! Katharine DeBrecht and illustrator Jim Hummel, the team that brought you the first two "Help! Mom!" books -- There are Liberals Under My Bed! and Hollywood's in My

Hamper! -- return with their funniest, most outrageous adventure yet. Like every "Help! Mom!" book, The 9th Circuit Nabbed the Nativity has something for kids and parents alike. Young readers will love following along with the lively story and full-color pictures while singing the ridiculous (but very politically correct) new lyrics for The First Noel: The First Toenail, the Liberals did say Was that the harder people work The more taxes they pay Parents will enjoy the cartoon antics of prominent politicians doing what they do best -- minding everyone else's business. And just like every "Help! Mom!" book, The 9th Circuit Nabbed the Nativity! should also prove popular with adults looking to laugh at the endless foibles of liberals. Can busybody Congresswoman Clunkton take the "ho ho ho" out of the holidays? Not with Mom on the case! Join gifted storyteller Katharine DeBrecht and award-winning illustrator Jim Hummel as they share another small lesson in conservatism. And you won't want to miss "Officer Betty" taking Hillary -- oops, Clunkton -- to detention over certain third-grade bake sale irregularities! "Detention Officer Betty" is the caricature of a real person, who bid to participate in the fun via a well-publicized eBay auction that raised over \$3,000 for Operation Gratitude. OpGrad is a non-profit that sends care packages to American soldiers and sailors overseas. Kids Ahead is proud to support this great cause. About the Author Katharine DeBrecht is a mother of three. A freelance newspaper reporter, she served as South Carolina's co-captain of Security Moms for Bush.
