**Buddy Wakefield : Henhouse: How to Raise Your Own Chickens: The International Book for Chickens and Their Lovers** before purchasing it in order to gage whether or not it would be worth my time, and all praised Henhouse: How to Raise Your Own Chickens: The International Book for Chickens and Their Lovers:

2 of 2 people found the following review helpful. Have chickens? Then you need this book!By EsotericaThe magazine is awesome. It is printed on thick, creamy paper, and filled with chicken photos, articles, how-to's, stories, chicken art and poetry.It is a pretty unique work- with a story about a chicken named Janet Reno, an article on the horrors of the chicken industry, drawings on how to build your own chicken coop, and a photo spread of the author's backyard chickens, "Henhouse" is basically, well, chicken porn (BUT NOT LIKE THAT!) for people who love their chickens (BUT NOT LIKE THAT!)I love it, and you will too. If you don't already have chickens, you might be inspired to build yourself a backyard coop and get started!0 of 0 people found the following review helpful. Review for HenhouseBy

Jane EThe magazine/book was entertaining and the pictures were beautiful. I did not learn anything new and probably would not buy it again. The authors apparently had a lot of fun writing the articles but they were, at times, difficult to follow (perhaps the authors were high?).0 of 0 people found the following review helpful. Love it!By S. LindseyWe love our chickens so we really 'got' this book/magazine. If you are a yuppie chicken keeper, this is a must have for your coffee table!

This new publication is inspired by hens and the people who love them. Geared toward new chicken owners and created for everyone to laugh with and learn from. This witty book is full of mother clucking facts. The popularity of raising chickens in cities and suburbia continues to grow and Henhouse offers up a wealth of how-tos, tips and advice for this new wave of environmentally conscious chicken owners. Henhouse is a valuable resource for helpful information on all things chicken with a playful, educated and current appeal.

About the AuthorBuddy Wakefield is a two-time Individual World Poetry Slam Champ, has been featured on NPR, the BBC, HBO's Def Poetry Jam, and recently signed to Ani DiFranco's Righteous Babe Records. He tours full time and considers annual Poetry Revival tours with Derrick Brown and Anis Mojgani, and separate tours with Ani DiFranco, to be the highlight of his career. Buddy has been a busker in Amsterdam, a lumberjack in Norway, a street vendor in Spain, a team leader in Singapore, a re-delivery boy, a candy maker, a street sweeper, a bartender, a maid, a construction worker, a bull rider and a triathlete.
