**Howard Darmstadter : Hereof, Thereof, and Everywhereof: A Contrarian Guide to Legal Drafting** before purchasing it in order to gage whether or not it would be worth my time, and all praised Hereof, Thereof, and Everywhereof: A Contrarian Guide to Legal Drafting:

Written by a business lawyer for business lawyers, this new Second Edition updates its First Edition published in 2002 on the basic of legal drafting as well as specific types of documents, such as agreements, securities prospectuses, and promissory notes.
