Jim Unger : Herman Living with Animals (Herman Classics series) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Herman Living with Animals (Herman Classics series):

4 of 4 people found the following review helpful. Seller truthful on condition of book, prompt delivery By A Southern Yankee There's no comic character like Herman! Artist Jim Unger has such a dry wit and a unique perspective on human nature that surpasses all comers. Whether you are an animal lover like the comic's portrayed in this book, or his specialty, the medical field, or the institution of marriage. All will have you chuckling. This book is in beautiful condition as represented by the seller with prompt delivery. 1 of 1 people found the following review helpful. Herman Joke Books are the very best By M Johns What a laugh the animals are. People can relate to most of these cartoons. What a great way to end the day! 3 of 3 people found the following review helpful. used books rule By Glen L. i bought several books for some friends at the hospital to share, what a great service and price.... I would have never paid retail for these, its great to turn someones dust collectors into a source of enjoyment for many

Herman, by Jim Unger, is syndicated in more than 800 newspapers in North America. Hilarious, biting, and snappy, these cartoons are found on fridge doors throughout the country. This particular volume contains more than 400 panels, in full colour and on high-grade coated stock, demonstrating how Herman gets along with pets.

"Ever the reliable producer of humor, Jim Unger has put together collector albums featuring the best of the best of his work. Great for those who don't get to see his work that often." —Books in
