**Helen Marie Bentz : Hey Waitress, Over Here!** before purchasing it in order to gage whether or not it would be worth my time, and all praised Hey Waitress, Over Here!:

0 of 0 people found the following review helpful. Two StarsBy M. E. PickeringLost interest very quickly. Sorry!0 of 0 people found the following review helpful. I liked itBy edna goldsbroughThis is a very funny accounting of the everyday life of a waitress. She sees the humor in many situations, and relates them in her "Waitress" interpretation. Most enjoyable.

About the Author I was raised on a farm, and believe me, it's hard work! I realized later how much I benefited by it. After doing farm work, everything else is easy. I was married, raised four beautiful children, divorced, and now have four wonderful grandchildren. I have worked in restaurants for over forty years and I enjoy it as much now as when I first started doing it. Yes, my minimum wage is \$2.23 per hour, but every day is worth it. Every day is a whole new adventure!
