Karl Kronfuss : High Tails of High Adventure before purchasing it in order to gage whether or not it would be worth my time, and all praised High Tails of High Adventure:

1 of 1 people found the following review helpful. Hahahahaha--great book!By maryVery entertaining!! Sounds like Mac the Pug had more action in his lifetime than most humans. Loved the pictures captions. If only all dogs could live the life of Mac. I enjoyed it so much I bought additional copies as gifts. I appreciated the larger font size.2 of 2 people found the following review helpful. Five StarsBy Tina DudicBrilliantly funny! I will have to read this book more than

once and takes notes and recipes!0 of 0 people found the following review helpful. The adventures of one incredible PugBy Linda CodyThe adventures of Major (retired) Mac the Pug are not to be missed. Karl Kronfuss' use of high-flown language and alliteration are delightful, as is the personality of this fine specimen of Pugus Robustus. Despite the amazing feats of this particular Pug, you will recognize the traits displayed by your own Pug -- especially the attention given to comestibles.

When trouble strikes or adventure calls, you can always rely on one charismatic figure to be right in the thick of it: Major (retired) Mac The Pug. His athletic prowess, towering intellect, undaunted courage, and discerning gourmet palate are renowned the world over; a diplomat, a conqueror of all he sees. Follow The Pug on his brilliant tour of attractions ranging from golf course greenery to an airborne assault on Yellowstone Park, from catching the perfect wave to catching the perfect nap. Whether exploring the Arctic or defending his front yard, exposing financial malfeasance or battling scolding matriarchs, The Pug brings his own inimitable style. The world is his oyster...and speaking of which, you'll also enjoy his distinguished glossary of food. Snappy satire meets swashbuckling bravado in High Tails of High Adventures, a book that will leave you laughing and newly appreciative of the wondrous creature known as The Pug.
