Gareth Hovey : High Visions - Psychedelic Coloring Book before purchasing it in order to gage whether or not it would be worth my time, and all praised High Visions - Psychedelic Coloring Book:

4 of 4 people found the following review helpful. GREAT BOOKBy AmyColorsIm always on the look out for great adult coloring books..this one is awesome! Every page brings an exciting and new challenge. The designs are so beautiful and done one per page. I highly recommend this book!! So happy to have found it.7 of 8 people found the following review helpful. Amazing!! Incredible drawings that range from simple/easy to ...By CustomerAmazing!! Incredible drawings that range from simple/easy to complex/advanced. Love that each page is single sided so you can frame your artwork or gift it to someone. And the 'test' page at the back is genius!- I could try my pencils and makers before colouring in a design. Great value!3 of 3 people found the following review helpful. AwesomeBy Andrew FariaThis is my first one and it's awesome!

Welcome to the world of psychedelic coloring. Inside this coloring book you will find a world of curious creatures, psychedelic symmetry, trippy landscapes, hallucinatory horizons, enlightened entities, organic mandalas and much more ! This book has been created with coloring fans in mind and provides over 30 intricate designs on single sided pages (frame your work) with wide margins and a perfect balance of black and white space. Time will slow down as you enjoy endless hours of stress relief and relaxation in this voyage through the psychedelic experience. Open your mind and unlock your true creative potential today. Take your time. Tune in, turn on and color out !
