**John Troy : Hilarious Fishing Cartoons** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Hilarious Fishing Cartoons:

Very poor job by the publisher. The cartoons themselves are funny and in this the author did a good job. 1 of 1 people found the following review helpful. What to get some one when they already have everything else. By Jonathon Yant Buying for my father-in-law is quite difficult because he has everything he wants and needs. If he wants it he gets it because he is in the position to do so. He loves hunting and fishing and he loves comics so put the two together and we found this. What a great gift. 0 of 0 people found the following review helpful. Everyone that picks our book loves it. Lots of ... By stormy Daze Everyone that picks our book loves it. Lots of laughs. We have three vacation homes in the mountains and I have purchased three of this book and three of Hilarious Hunting Cartoons

Any angler who has ever been out-fished by a beginner with a twig and some twine or questioned whether bass are smarter than he is will be in good company here. Hilarious Fishing Cartoons pokes fun at every kind of angling absurdity. Tiers struggling to tie microscopic flies, bass fishermen who catch more boots than bass, weekends loaded down with every gizmo and piece of tackle in the shop, and fanatical, freezing ice fishermen doomed to drill and not grill are all represented. Troy's pen is deft and clever, and his one-liners are truly side-splitting. The next time your line gets so tangled you're ready to curse or quit fishing forever, remember these cartoons and you may just find yourself chuckling instead.
