Hilariously Nigel Poems is a collection of mildly rude but comically funny poems that will fill your quota of belly laughs for the week in one go! Nigel's back! And he's back with a bang in 'Nigel's Barbecue,' along with many more feature length 'Nigel' poems, including; 'Nigel's Nephew' and 'Nigel's Stag Do.' The first poem in the 'Nigel' series; 'Nigel's Night Out,' first appeared in Ian Graham's 'Hilariously Naughty Poems' and is reprised at the start of this publication. Each 'Nigel' poem is an episode of the hilarious mis-adventures and strange situations Nigel finds himself drawn into, all interspersed with additional original humorous poems. Go on, give your chuckle muscles a workout!
