1 of 1 people found the following review helpful. OverpricedBy KSThis book is advertised as having 24 pages, but only 8 of them are actual coloring pages. I think that it is pretty overpriced for what you actually get. The pictures for the most part are well done, but some parts are sloppily done.

Hillary Clinton. The woman, the myth, the legend. This humorous coloring book will make sure you never look at Hillary the way you have in the past. Whether it's knocking out the Republicans, posing as Mona Lisa or crossing the Alps faster than Napoleon, this coloring book will be tons of fun for Hillary fans and critics alike.
