Bought this with the intention of using it in an ongoing paper got doll war, but found it too amazing to sacrifice. This is going in the Museum of McLellen LOL Three rooms! Bill has several activities! There are ghosts! What more could one ask for?2 of 2 people found the following review helpful. Loved the pop-up roomsBy Jill PattersonThis is very clever but went overboard with some of the dolls. There was no need for disrespectful political statements--really, Beezlebub as a political adversary? Let's have a little class, please. Loved the pop-up rooms.1 of 1 people found the following review helpful. Most amazing political paper doll set ever!By ChristieThis is the most fun I've had with paper dolls since I was 7! A variety of faces and outfits for Madame President, First Gentleman Bill in his bathrobe, ghosts to haunt the White House, and all sorts of bad guy options. I used it for decorating for a fundraiser

and people loved it! Did I mention the eagle? Because you get one of those, too.

Still with her? Put Madam President in the White House where she belongs! This Presidential Playset includes: 10 perforated paper dolls, 3 rooms of fun, Republican adversaries, Supreme Court Justices, pantsuits and pajamas, Secret Service protection, White House ghosts, and much, much more! This fold-out book features replicas of the Oval Office and other White House locations, plus perforated paper dolls of Hillary Clinton and all of her political pals and adversaries. With the Presidential Playset, you can draft executive orders in the Oval Office, deliver stirring speeches on the White House lawn, and take decisive action in the Situation Room. Turn the pages to pick the perfect outfit and add your favorite fashion accessories. Mix and mingle with distinguished guests, blow Bill a kiss while he putters about the lawn, and tangle with all kinds of Republican adversaries. Oh, and be on the lookout for those pesky White House ghosts!

“It’s quirky, tongue-in-cheek and perhaps just a wee bit biting.” –The Daily Times“Complete with a pop-up cast of characters and accouterments (Bill comes with a lawn mower to keep him busy), this fun and feminist-friendly playset is perfect for Hillary fans of every age.”—Monsters and CriticsAbout the AuthorCaitlin Kuhwald is an illustrator whose work has appeared in numerous print and digital publications, including Billboard, O Magazine, Mother Jones, and Good Housekeeping.
