Thomas Turner : Hillbilly Night Afore Christmas (The Night Before Christmas Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Hillbilly Night Afore Christmas (The Night Before Christmas Series):

1 of 1 people found the following review helpful. A skillful mimic using Applachian EnglishBy Carlisle B. Barnes Jr.This mimic uses authentic Appalachian English in place of the Cajun dialect of the original mimic book. Remembering some of the Applachian English that I heard as a child, this was done quite well. The final sentence "Y'all come back, Yuh hear " could have come from anywhere in the South, and is not characteristic of all "hillbilly" Applachian English. However, the author came from Eastern Tennessee, so it is characteristic of the specific

Appalachian dialect that he knew. All in all, the book is one that I am happy to own. .0 of 0 people found the following review helpful. A Hillbilly Version of The Night Before ChristmasBy KimPorI'm a preschool teacher of 4s 5s and am collecting ethnic versions of The Night Before Christmas. This version contains concepts that are indigenous to the Hillbilly culture, like Santa's sleigh being a wagon pulled by work horses. If you like The Night Before Christmas, you'll like this version; my children and I did.0 of 0 people found the following review helpful. ... one was so hard to read it was no fun.By Tamera L. ClarkI have a lot of books from this collection but this one was so hard to read it was no fun.

St. Nick is a jolly, twinkly-eyed mountain man named Sainty. He drives a buckboard pulled swiftly through the sky by eight plump, friendly black bears.
