Franz-Olivier Giesbert : Himmler's Cook before purchasing it in order to gage whether or not it would be worth my time, and all praised Himmler's Cook:

1 of 1 people found the following review helpful. Himmler came across as a bit of a nice guy so I'm not sure how historically accurate it ...By Catherine Anne FranichIt was an enjoyable read...Himmler came across as a bit of a nice guy so I'm not sure how historically accurate it was.Quite a good plot but I wouldn't reccommend it as a great read.1 of 1 people found the following review helpful. Superb and quirky take of a long long life lived ...By Jonathan GunthorpSuperb and quirky take of a long long life lived sometimes at the whim of fate and at other times with a literally murderous agency.1 of 1 people found the following review helpful. ExcellentBy Kindle CustomerInnovative

structure, well written and keeps you interested.

"History is a bitch. She has taken everything from me. My children. My parents. My great, true love. My cats. I don't understand the stupid veneration that the human race feels for her." Aged 105, Rose has endured more than her fair share of hardships: the Armenian genocide, the Nazi regime, and the delirium of Maoism. Yet somehow, despite all the suffering, Rose never loses her *joie de vivre*. As she looks back over her long life of survival and, sometimes, one of retribution she recalls those unique experiences that added such spice to her life, whether it was being a confidante to Hitler, a friend to Simone de Beauvoir or cooking for Heinrich Himmler.

"A novel as excessive as it is joyful." *L'Express*
