When taken lightly, this book is very enjoyable, but I would not expect each picture to be of the highest level/quality. My fiancé enjoyed this as a fun little gift. 0 of 0 people found the following review helpful. So deck! By Courtney Page I love this book! It's entertaining for hipsters and non-hipsters! So cute!! The Internet phenomenon that unleashed "adorable emo puppies with bed head, ironic sunglasses, and snobby musical tastes". (Entertainment Weekly) They spend their time sniffing around local farmer's markets, pawing through stacks of vinyl at the record store, and making biting remarks at the café. They're hipster puppies-and they're always snarky, impeccably accessorized, and undeniably adorable. From the site hipsterpuppies.tumblr.com comes never-before-seen photos of these pupsters at play, as well as some of the blog's most popular shots. With their oversized egos-and sunglasses-they run the gamut from music festival fauxhemians to ironic trucker-hat-wearing vegans. And they're guaranteed to melt readers' jaded hearts.
